Dear Sir:

Subsequent to the Notice of Allowance dated May 6, 2005, but before payment of the issue fee, the Applicant submits copies of the documents noted in the specification particularly at pages 9, 14, 45, and 49.

These documents can be placed in the file. It is believed that each supports the respective discussions in the Background of the Invention at pages 1 to 25 of the specification as filed, each is less relevant than acknowledged prior art such as at Figs. 11 to 13, and none is as relevant as the documents cited by the examiner and the reasons for allowance. Therefore, these documents can merely be placed in the file record for this allowed application.

No fee is thus believed to be necessary nor is a certification, petition and fee appropriate.

Dated: June 20, 2005

Respectfully submitted,

By  _____
